

JWV Post 474

Minutes of meeting held August 16, 2020

The meeting was called to order by Mark Weiss at 10:04 AM

The meeting was attended by Dr. Ed Hirsch, Mark Weiss, Dr. Ed Adler, Dr. Miles Auster, and David Hundiak

Old Business:

- Dispensed with reading prior meeting minutes - everyone had received them.
- Latest financial balances presented and the Post is in sound financial shape
- No applications were received for our Ira Silver ROTC Scholarship this past year. 2020-21 budget has been modified to remove paying that expense.

New Business:

- Reviewed 2020-21 budget.
- Project Maggid will not be done Nov 2020. Next opportunity is Nov 2021. More story-tellers are needed.
- Naturalization Ceremonies; we need more volunteers for this, also. 1-2 times / year, read from a script.
- JWV National Convention coming up next week. JWV National chose to use the video-conferencing product StartMeeting.Com. JWV Michigan will hold a "test drive" of this product on Monday, Aug. 17 at 8PM.
- Brodhead Naval Armory building, on Jefferson near Belle Island, was going to be demolished by City of Detroit. A coalition of V.S.O.s was going to try to save it and had asked for JWV support. Before we could discuss it at this meeting, the Detroit Parade Company bought the building to store floats in.

Meeting adjourned at 10:30 AM

Mark Weiss
